

We are pleased to offer **Aflac's** supplemental insurance plans to all SEBA members at group rates. All benefits from **Aflac** are paid directly to you, separate and independent of any other medical or disability insurance you may have in place. Coverage is guaranteed renewable for life, and fully portable. The available Aflac plans include:

**Personal Accident Indemnity - Covers you & your family for any on or off the job injury**

- Provides cash benefits for loss of income and increased out-of-pocket expenses (such as co-pays and deductibles) for doctor visits and hospitalization due to an injury.
- Includes specific-sum injury benefits based upon severity, cash for major tests and physical therapy, ambulance transportation, accidental death benefit, and more.
- Includes one annual \$60.00 wellness benefit payable to you after a check-up.
- **Monthly premiums** start at **\$24.10**

**Personal Short-Term Disability - Protect your income if you become ill or injured off the job**

- If disabled, you can receive \$500 to \$5,000 per month (based on your income), tax-free.
- Pays for your disability from the 1<sup>st</sup> day due to off-job injury and 14<sup>th</sup> day due to sickness.
- Pays benefits for up to 6 months along with your time on the books and long-term disability.
- **Monthly premiums** are based upon amount of income that needs protecting.

**Personal Cancer Indemnity - Pays cash benefits at a time when needed most**

- Receive \$5,000 for first occurrence of internal cancer, plus the benefit builds \$500 per year.
- Cash benefits for radiation, chemo, second-surgical opinions and much more, helps to cover loss of income during treatments, and the increased expenses that may arise.
- Wellness incentives of \$30 for paps, \$100 for mammograms, and \$75 for screenings.
- **Monthly premiums** start at **\$40.20**

**Specified Health Event - Pays cash benefits for first occurrence, hospital & continuing care**

- Pays \$5,000 upon the incident of heart attack, stroke, coronary bypass surgery, coma, and more; plus the benefit builds by an additional \$500 per year prior to first occurrence.
- Pays hospital benefits of \$300 per day in-patient, and \$125 per day for outpatient care.
- Also includes increased benefits for any Intensive Care stay.
- **Monthly premiums** are based upon age at enrollment, starting at **\$21.71**

**Hospital Protection - Helps close the gap on high deductibles, co-pays, and lost income**

- Benefits for initial hospitalization daily confinement plus benefits for surgery.
- Includes rehabilitation stay, ambulance transportation benefits and much more.
- **Monthly premiums** are based upon age at enrollment, starting at **\$39.65**
