

SEBA NEWS FLASH

PLACE ON BRIEFING BOARD

NEGOTIATION UPDATE:

Today SEBA and the County met to further discuss the County's financial situation.

SEBA's negotiation team provided the County with a proposal for their consideration. The County's negotiator will be taking the proposal to the Board of Supervisors on April 27th. If the Board of Supervisors agrees to the proposal, SEBA will put together a package to take to the membership for a vote.

Remember before any package can be agreed to, the entire membership for each bargaining unit SEBA represents will have the opportunity to vote on it.

SEBA plans to mail out information packets, as well as having informational meetings before any vote occurs.

The next meeting is scheduled for April 27, 2010, at 2:00 pm. A SEBA Flash will be sent out after the completion of that meeting.
