NEGOTIATIONS: MEMBERSHIP VOTE

During the regular scheduled SEBA Board of Director's meeting held on May 5, 2010, the Board of Directors discussed the meetings occurring between SEBA and the County regarding the County's financial situation.

The Board unanimously agreed to send out to vote a proposal the SEBA negotiating team provided the County, as long as the Board of Supervisors approved it at their May, 11, 2010 meeting.

Information meetings are being scheduled, along with mailing packets outlining the proposal.

Once the schedule for informational meetings is complete it will be sent out in a SEBA Flash.
